*\*See your tax professional on eligibility*

*\*\*Please consider paying with a check, as it will help eliminate credit card processing fees.*

The Captiva Community Panel exists to serve Captiva by maintaining the historic pattern of development on this barrier island. Such historical growth has consisted of unobtrusive, low-density residential use coupled with limited commercial development and vehicular traffic. Sensitive to such common concerns, Captiva community planning is to be maintained in consideration of an environment consisting of clean offshore waters, diverse and healthy marine life and robust native vegetation.

**For additional information call 239-579-1462 or
