
Septic-to-Sewer Straw Poll

The Captiva Community Panel is conducting this non-binding straw poll to determine the amount of initial property owner support on Captiva for the construction of a new central sewer system to serve all properties outside the South Seas Resort area. Please review the attached summary to see the research and estimates compiled to date, as well as other links to access more information about this proposed study.

Please circle the number below which best expresses your current opinion about providing central sewer service to all areas of Captiva outside South Seas Resort.

1	2	3	4	5
Strongly Favor	Favor	Neutral No Opinion	Disagree	Strongly Disagree

If the project cost could be reduced significantly by obtaining government financial support for the project, would that change your opinion? Please circle:

YES **NO**

Please circle below the area of Captiva which best describes the location of your property:

Gold Coast **Roosevelt Channel** **Tween Waters** **Village**

Please write any comments about the possible central sewer program for Captiva outside South Seas on the back of this card.

Please include your name, phone number and email if you are willing to be contacted.

THANK YOU!

Respond to this straw poll by April 7:

■ Online at

<https://www.surveymonkey.com/r/TVYK2LD>

■ Send emails (or a picture of this card) to captivacommunitypanel@gmail.com

■ Send faxes to (239) 362-9771.

■ Send mail to Captiva Community Panel, P.O. Box 72, Captiva, FL 33924

■ Email Wastewater Committee chair Jay Brown with questions at jaywbrown1@icloud.com.

If you're not receiving emails from the Captiva Community Panel and want to get on the list, email your address to captivacommunitypanel@gmail.com to join!
