Dear Sanctuary Members,

We would like to share a list of local Captains for hire. You can contact them directly to arrange transportation, cost, number of people, pick up location and time. Texting is the most efficient as the cell service is still weak.

Please note that automobiles are not permitted at this time and coordinated transportation from boat to properties is not available. Once the roads are completely cleared and safe we are hopeful that the City will allow this soon.

Local Captains

Typical rates: \$300 for 1-2 hours, \$600 for 2-4 hours, and \$900 for 4-6 hours of Transportation. Gratuity is appreciated. Contact your captain to discuss and arrange payment beforehand.
