Causeway access on Monday and Tuesday

FROM CITY OF SANIBEL:

The Sanibel Causeway will be open daily to Sanibel and Captiva residents and private contractors **who possess a Valid 2021 or 2022 Sanibel Re-Entry Pass** that is prominently displayed or, to those residents **who have a valid Florida Driver's License with a Sanibel or Captiva address** ready to present when approaching the causeway checkpoint. Anyone attempting to gain access to Sanibel or Captiva without a re-entry pass or a valid driver's license with a Sanibel or Captiva address will be turned away at the checkpoint.

The City will evaluate its progress with debris collection weekly. Should it be necessary to limit access to the islands to expedite debris cleanup in the future, the City will issue an updated news release.

Also, the city has restored the normal speed limits, removing the 20 mph limit that had been in place since the Causeway reopened. Drivers are cautioned to watch out for work crews and trucks, and to slow down as conditions warrant.

Comcast restoration in December

FROM COMCAST:

The island will be undergoing a complete rebuild of the Comcast fiber optic network. One of the biggest challenges is getting the fiber optic restored that feeds the island that got washed away coming across the causeway. The team is working diligently to get the new network in place, and we are anticipating having it in place by December.

CCA offers internet hot spot

FROM CAPTIVA CIVIC ASSOCIATION:

With support of FISH of SanCap, the CCA is pleased to announce they are able to provide an internet hot spot for community members. Drop-in hours to access the WiFi are currently Wednesday, Thursday, and Friday, 11 am-3 pm at the Captiva Civic Center, 11550 Chapin Lane (starting Wednesday, Nov. 2). You must bring your own device (laptop, iPad or phone).

People accessing WiFi will be able to do so inside the CCA (Civic Center) hall, which is air conditioned, and tables and seating provided. If you have questions, please contact CCA Executive Director Emily Ankerson at emily.ankerson@ccacaptiva.org.
