CCA hosts community social Nov. 17

FROM CCA:

Dear CCA Members & Friends,

I hope this finds everyone in good health and as well as can be expected at this point in the post hurricane recovery phase. I know it has been a lot for people to cope with and the CCA would like to help by opening its doors for a social hour and a chance to connect with other community members who are on the islands right now. Please stop by for some light refreshments courtesy of the CCA on Thursday, November 17, from 5:00-6:00pm if you feel like saying hello and connecting with neighbors and friends. I have attached a flyer, please share with anyone who might be interested!

The CCA will continue to offer drop-in WiFi access Wednesdays, Thursdays, and Fridays from 11 am to 3 pm. We will be open today at 11 am.

The Captiva Community Panel is a great resource for Hurricane Ian recovery updates. If you were not able to tune into their meeting on Tuesday, Nov. 8, you can go to their website, <https://captivacommunitypanel.com/>, and click on their “News & Updates” link. You can watch the video recordings of any of their meetings as well as review posted information regarding the recovery efforts and related updates. The CCA also posts regular updates on its Facebook page: <https://www.facebook.com/CCAcaptiva>.

Be well, stay safe, and stop by the CCA to say hello if you are on island!

Emily Hess Ankerson

Executive Director, Captiva Civic Association

Sanibel update

FROM CITY OF SANIBEL:

According to the Tuesday night update, the City of Sanibel will allow deliveries to island residences with the proper paperwork identifying the address and owner. (This would be for major items such as appliances, etc.) We have not been able to confirm this with city officials, and we understand this does not apply (yet) to Amazon deliveries (among others).

Passes available: The City of Sanibel announced that Hurricane Passes will be issued on Friday, Nov. 11, from 8:30 a.m. to 12:30 p.m. at the City's temporary location at 7910 Summerlin Lakes Drive.

Due to Hurricane Nicole, the City suspended Hurricane Pass issuance on Thursday, Nov. 10. The City is closed on Nov. 11 to honor and observe Veteran's Day. However, a small group of staff will be at the temporary location to issue Hurricane Passes as a make-up day from the Hurricane Nicole closure.

Hurricane Pass issuance will resume normal operations on Monday, Nov. 14, 8 a.m. to 5 p.m., (closed for lunch 12 p.m. to 1 p.m.) Monday through Friday at 7910 Summerlin Lakes Drive.

Free Health Clinic Available on Sanibel: A partnership between the Lee County Medical Society, Lee EMS, and Broward County Medical Corp has established a FREE medical clinic on Sanibel.

Beginning Monday, Nov. 14, the clinic will operate from a white trailer located in front of the Sanibel Fire Station on Palm Ridge. The hours are generally 8 am-4 pm, Monday through Friday, depending on travel times to the island.

Services offered by volunteer physicians include free flu shots (including the vaccine for those aged 65+), tetanus shots, wound care, and assessment and treatment of respiratory issues like cough, flu, pneumonia, and bronchitis.

FYI: The next city update on Facebook Live will be Tuesday, Nov. 15, at 5 pm.
