### **Fresh Organic Produce from 12 Seasons Farm at McCarthy's Marina**

Until the Farmer's Market is able to start up again, there is fresh produce available for pick-up at McCarthy's Marina on Tuesdays, 9-11am.

If you know individuals who would appreciate the fresh produce, spread the word!

Placing an order helps 12 Seasons Farm secure what you want and helps them better plan in harvesting and packing, but patrons can also just come and buy directly off the table as they plan to bring extra produce.

Click on this [link](#) to their website below to preorder and/or view what is being harvested. Place orders at [www.12seasonsfarm.com](http://www.12seasonsfarm.com) before Sunday, 8 pm for Tuesday pickup in Captiva.

### **Sanibel Causeway update**

#### **FROM FDOT:**

Below are the construction activities scheduled for the next week on the Sanibel Causeway. The contractor does not anticipate lane closures or major

delays to traffic at least through 2/7/23. However, we are getting reports of slow travel due to numerous large trucks and oversized vehicles bringing equipment and materials onto the island. Please be patient and plan ahead when travelling the Causeway.

Sanibel Causeway Emergency Restoration: As a part of the Florida Department of Transportation's (FDOT) Emergency Restoration of the Sanibel Causeway, crews continue work on McGregor Boulevard and the Sanibel Causeway from Port Comfort Road to Sanibel Island. Westbound McGregor Boulevard has been reduced to one lane approaching and through the toll plaza. Crews continue earthwork on the causeway islands. **MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT OF 20 MPH.**

- Crews continue driving sheet pile around the causeway islands.
- The causeway islands surrounding the temporary roadway are an active work zone and are currently closed for public access.
- Bicyclists are encouraged to utilize another mode of transportation to travel the causeway.
- Pedestrians are not permitted on the Sanibel Causeway.

Many oversized vehicles are crossing the causeway to assist with recovery efforts on the island. Please be patient as travel may be slower than usual. Please use caution and watch for workers and construction vehicles entering and leaving the roadway. For further questions, please contact Jennifer Dorning by email at [Jennifer.Dorning@dot.state.fl.us](mailto:Jennifer.Dorning@dot.state.fl.us) or by phone at (239) 338-7723.
